

## BLDG ACTIVE Intern

At BLDG ACTIVE we're building a bridge between science and sports by taking cutting edge medical grade technologies directly to athletes. We just launched our first skin repair product that is poised to create a brand new category and disrupt how athletes think about skin repair.

As an Intern, your job is to contribute to the success of ongoing projects by assisting with various aspects of BLDG's marketing and operations.

### ABOUT YOU

- You're passionate about the intersection of sports and healthcare
- You have impeccable attention to detail
- You have an understanding of outdoor and action sports
- You are a critical thinker who has the ability to be self-motivated
- You're cool with the beach being a few blocks away

### WHAT YOU WILL DO

- Support and assist in the promotion of our Active Skin Repair Product line
- Fulfill and ship online orders
- Assist in daily operations and office management responsibilities
- Assist in media outreach
- Assist in sales and event operations
- Bring a positive, inquisitive attitude to every assignment, recognizing it as an opportunity to build a brand and demonstrate your talents

### COMPENSATION AND BENEFITS

- Compensation is DOE
