

MEDIA ALERT

Congressman Mike Levin visiting TrueCare on July 7 to support quality healthcare for North San Diego residents

WHAT:

U.S. Representative [Mike Levin](#) (D-CA) is visiting [TrueCare](#) to see firsthand the value and quality of care the Community Healthcare Centers provide to the community, many of whom are underinsured, or have no medical insurance.

WHY: Congressman Mike Levin will see firsthand the positive impact his decision making has had on TrueCare and to discuss how to continue expanding support low-cost quality healthcare for the diverse communities in North San Diego Counties.

WHEN: Wednesday, July 7 from 2:15 p.m. to 3:30 p.m.

WHERE: TrueCare's Mission Mesa locations at 2210 Mesa Drive Oceanside, CA 92054.

NOTES:

Congressman Levin, who represents California's 49th Congressional District, which includes North County San Diego and South Orange County, has made it a point to work with Community Health Centers (CHCs), like TrueCare, to continue and expand access to low cost healthcare.

Last year, he [led a letter](#) with 72 of his House colleagues calling on Health and Human Services to direct more relief funding to CHCs and other Medicaid providers to cover unreimbursed health care related expenses or lost revenues attributable to the pandemic. He led another [letter](#) with more than 240 Members of Congress to HHS opposing changes that placed stricter limits on the way health care providers could use federal aid from the Provider Relief Fund. Visit [truecare.org](https://www.truecare.org) for more information about healthcare and community services.

About TrueCare

TrueCare provides an affordable, comprehensive and culturally sensitive healthcare experience to nearly 60,000 patients a year, many of whom are underinsured, or have no medical insurance. For nearly 50 years, TrueCare has served North San Diego and Riverside Counties with services ranging from primary care, pediatrics, women's health, behavioral health, chiropractic and dentistry. In addition, TrueCare offers transportation services, community health outreach, insurance enrollment assistance, and case management programs.
