SYSTEMATIC REHAB Pain Relief to Wellness. Teens to Boomers to Geriatrics.

Posture is the intersection of structure and function. Dr. Steven Weiniger's step-by-step postural assessment and rehab program will teach you to find hidden weakness and strengthen motor control.

During the Live 14 hour course, you will experience dynamic, hands-on training and learn skills to truly boost the benefits of your posture exercise services. StrongPosture® protocols will improve compliance, outcomes and inevitably referrals.

- Thrive in competitive markets
- Attract new patients and clients
- Stand out in the community
- 20+ structured session outlines
- Utilize a consistent framework

*“Deliver functional results
people see and feel.”*

Dr. Steven Weiniger
Presents CPEP Posture
Certification Training

PROGRAM

Certification in Posture Training (CPEP) provides a comprehensive program to incorporate proven posture rehab methods into your practice to treat acute injury or chronic pain, as well as promote injury prevention, wellness, sports performance, and active aging.

Plus, the research backed bio-mechanics and Posture Principles help tell a story people can share to bring about a common postural awareness amongst your clinic, organization, family and community as a whole.

Special training includes all required CPEP® elements:

- Access to the 15 Hour Online Course (CE) – *upon payment*
- Live, hands-on 14 Hour training at TGH (CE) – *Jan 11th & 12th*
- Training manual and books – *shipped*
- Marketing and Implementation support
- CPEP® certificate, designation, listings, and more.

Who Should Attend?

- MD, DO, DC
- PT, PTA, OT, OTA
- MT – *NCBTMB Approved Provider*
- CPT, AT, Fitness Trainer, Support Staff
- Injury Prevention Specialists

SPEAKER

Internationally renowned posture expert, Dr. Steven Weiniger, has trained thousands of practitioners to first rehab injuries and then help keep people moving well with StrongPosture® rehab protocols.

He's presented for numerous health and fitness institutions including University of Western States, Northwestern Health Sciences University, l'Institut Franco-Européen de Chiropraxie, and as an appointed delegate to the White House Conference on Aging.

Dr. Weiniger is founder of the advanced posture specialist certification, Certified Posture Exercise Professional (CPEP), setting the clinical standard for posture improvement and rehab protocols with clinicians worldwide.

In an initiative to promote posture awareness he developed PostureZone, a free posture analysis app. Dr. Weiniger also spearheads the annual PostureMonth.org global public health campaign. His expertise is featured extensively in media including ABC, CBS, NBC, FOX and Global News. He is the founder of BodyZone.com and PosturePractice.com.
