

iLearn Teacher Support Site

1

The iLearn Education secure Teacher Support Area is your 'Go To' for all areas of the Maths-Whizz operation, to ensure you get the best possible returns on this transformational resource.

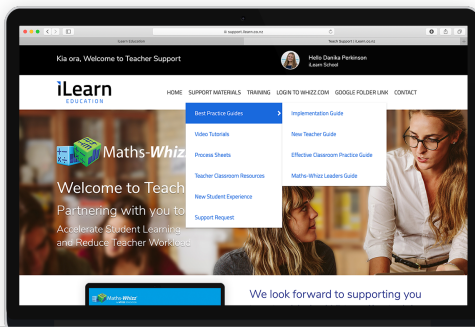

Support Materials

iLearn Education are committed to providing you with unparalleled support.

Also see some of the resources we have developed to support our mission to Accelerate Student Learning and Reduce Teacher Workload. TM

2

Implementation Guide

3

You will find your school wide login to www.whizz.com by clicking on the link.

Follow each step showing/watching relevant videos/materials to ensure students programmes are accurate and provide you with valuable baseline data.

New Teacher Guide

Once a new teacher has been added to our system and logged into the iLearn Education site, they can get up to speed by working through each step of this guide.
